Alma Mater

We sing to thee, O Bayside
We lift our voices high
Your banner gold and scarlet
We'll raise up to the sky
Your halls which now surround us
May dim and fade away
The years will pass
But in our hearts
You'll ever stay

We pledge to thee, O Bayside
Our love forever true
O Cherished Alma Mater
Our loyalty to you
Your vision helps to guide us
Wherever we may be
Your mem'ry lives forever
In our praise to thee

It's All About the Students

The students of Bayside High School can be summed up with one single word, a word that encompasses all aspects of acceptance, and coexistance, and that word is diversity. The students of Bayside differ in many ways, but even as different religions, races, backgrounds, hobbies, and personalities are present, the dynamic of our school is nothing short of a home away from home.

Diversity- is defined as a person or thing that exhibits distinct characteristics, qualities, or elements.

Got spirit?

The pride of Bayside can be displayed continuously throughout the entire school year, but a special week is set aside every year for the students and staff of Bayside to go all out. Spirit week is a time to honor and represent our school. As part of our annual Homecoming celebration, Spirit Week consists of wild and crazy dress-up days that are designated to each day of the week. Starting Spirit Week off on October 18, 2004 was "Mix-Match Day." The following days were "Crazy Sock/ Crazy Shoe Day," "Double-Trouble Day," "Screech Powers Day," and finishing off the week, on October 22, 2004, was "Spirit Day." Along with dressing up, Bayside's first annual bonfire was held on October 19, 2004. The students assembled around a large bonfire, united, and expressed their love for Bayside. A pep rally was held on October 22, 2004, and that was also a major success. The students really gave it their all and really showed pride in their school. The Homecoming spirit was definitely present during this week.

Bayside: It's in the Game!

After many ideas were given, and many meetings were held, Bayside's parade theme was given the title of- "Bayside: It's in the Game!" The theme is modeled after the video game Madden, and the idea behind it consisted of every class modeling their float after a board game. After each class voted on what their game would be, the building began! Each class put extreme hard work into their floats. The classes did an excellent job recreating their board games to match the actual games.

The floats glided down Haygood Road, as the band led them with music. Many clubs and organizations participated in the parade also, along with Homecoming Court. At half-time the parade circled the track, and the judges made their choices on who would win the float competition. In the end, the Seniors came out victorious with their "Monopoly" float. With their hard work and dedication, their float was named the best of the classes. The parade was a success, and the people that contributed should be very proud.

Making a Comeback!

This year's Homecoming Game vs. Salem High School on October 22, 2004, turned out to be a tremendous event. Our football team played with determination and might. Coming out victorious, the team earned well deserved gratification and praise. Winning the first Homecoming game in the last four years; this year's team is making a comeback.

This win ended a six game losing streak, and added to the Sun Devils' losses, bringing that total to ten. Altogether, Eddie Harrel, Mario Barnes, Brad Holloman contributed four touchdowns, and Justin Castellat kicked two field goals, bringing the final score to 28-21. In the third quarter, an amazing play was made by Eddie Harrel, who made a 53-yard interception. Everyone on the team contributed to the win, and it would not have been possible without the dedication and skill that these players possesss. The win was just what Bayside needed to top off Homecoming week, and finish Friday night with a bang!

Our Marlins danced the night away!

On the night of October 22, 2004, the essence of the Homecoming dance filled the air surrounding Bayside High School. As another Homecoming week came to an end, the Homecoming Dance was the icing on the cake for a tremendous seven days of spirit and fun for Bayside! This year's dance was most definitely the best Bayside has seen in years. The theme for this year's dance was Candyland: Welcome to the Candy Castle. Much hard work and planning went into the dance and decorating took place the morning of the dance at 9 am. Heading the project were SCA Special Events Commissioners Mary Grady and Adora Rossi, who received tons of help from others here at Bayside. Overall, the dance was a huge success, and brought in many more attendees than expected. True enjoyment was experienced by all who attended and it's safe to say that this dance will be remembered forever!

Enjoyment-

An 'Exotic Night' for the Class of 2005

On the night of March 13, 2004, the ballroom of the Surfside Inn at the ocean-front was filled with students. The Junior Class of Bayside High School held Ring Dance there. The theme was voted on in previous weeks at school and the dance was ultimately named "An Exotic Night."

As anticipation grew, students prepared for a magical night. During the dance, the Juniors waited in excitement to receive their class rings. Faces lit up as they unwrapped their rings, and tried them on. The night was filled with laughter and enjoyment. The Class of 2005 truly had 'An Exotic Night'.

Sarah Wirth and Theresa Butler try their rings on.

Our Destiny Awaits us...

The Junior Ring Dance was our first real class get together. We enjoyed the evening as one whole class... the Class of 2005. As we left the dance behind, the awareness of our final days as Juniors and our passage into the realm of seniority became increasingly noticeable. Entering into our senior year was exciting and new, but nothing could prepare us for the changes that we were about to be faced with. From college applications to ASVAB testing, we had to make decisions on where we wanted our lives to go.

Senior year was oftentimes the worst and the best at the same time. As seniors, we have so much going on all at once, but we try to enjoy the moments we have left here at Bayside. It is those bittersweet moments of fear and excitement, of worry and anticipation, of sadness and joy that truly helps us make the most of our days here at Byaside High School. As we enter a new realm of our lives, we can always remember where we have come from. Now... our Destiny Awaits.

Julia Blakeburn, Brittany Dillard, Ashley Guinan, and Tabatha Harmon rave about the fun they are having.

Angel Williams and Shenekia Winn smile in delight from the music.

Students watch from the balcony as the Junior class dances the night away.

Enjoying the slow jam, Rebecca Hubbard dances with her date.

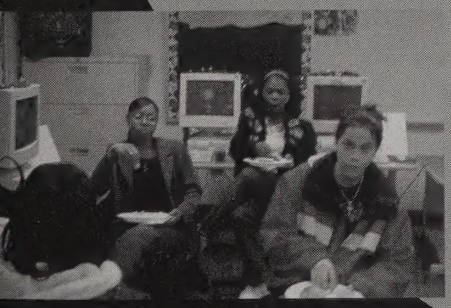
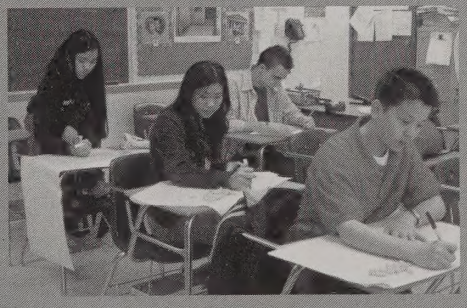
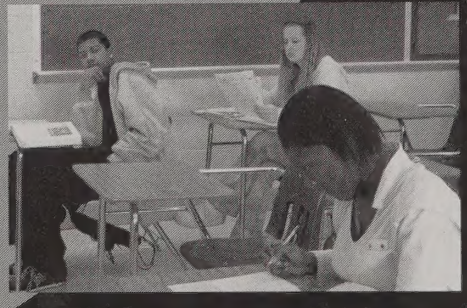
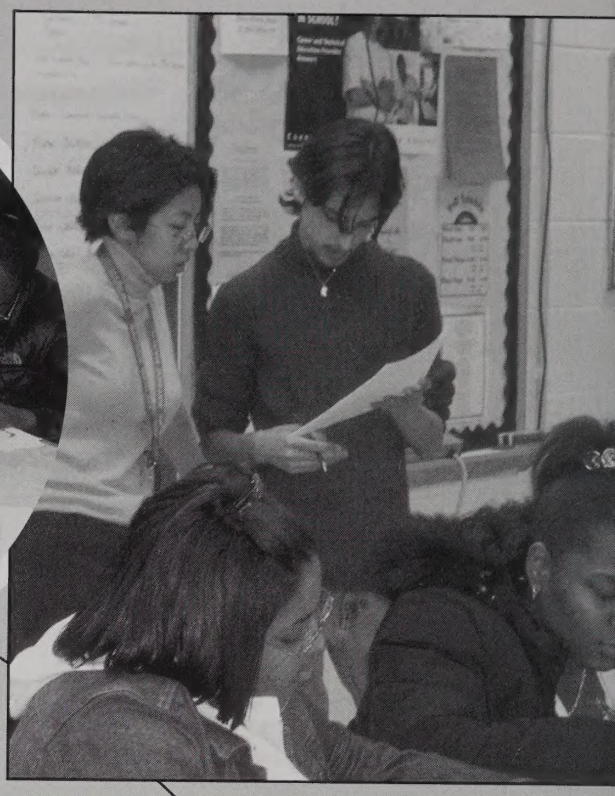
Activities Clubs







CLUBS/ACTIVITIES



The are many ways to become involved in activities at Bayside. Clubs, and organizations here within the school are open and very welcoming of others who wish to join. Entering into a club or some other form of school involvement contributes greatly to the full high school experience. By joining a club, members allow themselves to interact in a positive atmosphere, while making friends along the way. Many new clubs have hit the scene here at Bayside including the Gay-Straight Alliance and the Step Team made a comeback with a spectacular group of girls. This year has been a very productive and interesting year. Club involvement is on the rise and with much variety there is something for everyone! Bayside is proud of all of its clubs and we take pride in supporting those who give their time to maintain involvement.

Nika, Nika, Nika... You are my only baby girl. How wonderfully blessed I am- from the day of your conception when I felt you move inside, my heart was filled with so much love. Memories abound and happiness ignites as I recount your early childhood experiences surrounded by a mother's love... my love. I've always had great ambitions for motherhood, but things didn't always go according to plan. Even through trials and tribulations, we've learned, we've persisted, and importantly we've kept the faith together- what a wonderful journey to have taken with you. I've waited for this very moment to say "I'm so proud of all your accomlishments." You have grown into such a fine young woman, your beauty and your character are only two of your many strengths. I now release you into the world to spread your wings. This is my tribute to say "I LOVE YOU" dearly my sweet, sweet Nika. Love, Mi-Ma

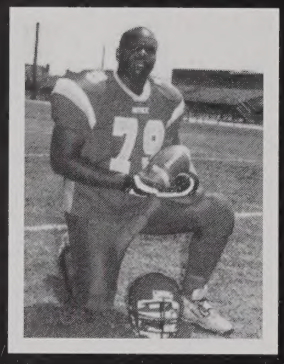
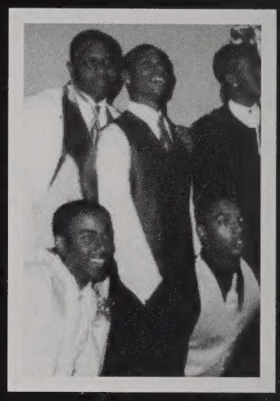
"The difference between the possible and the impossible lie in a persons determination"

Bob Bennett 4 Senate



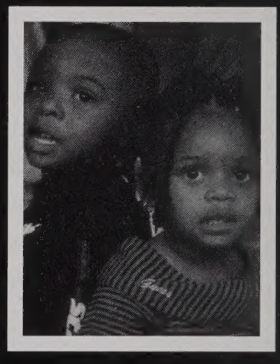
Not that I have already obtained all this, or have already been made perfect, but I press on to take hold of that for which Christ Jesus took hold of me. Brothers, I do not consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize for which God has called heavenward in Christ Jesus.

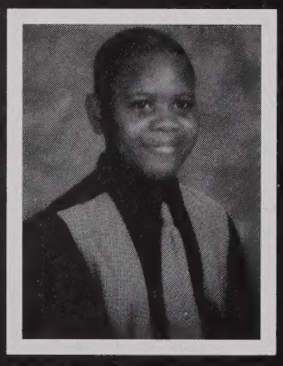
Philippians 3:13-14



To the Marlin Family, it has brought me great joy to spend the last four years with you. Through the ups and downs we united when others would have divided, and this is what family really is. Thank you for an awesome experience.

To my family who has never given up on me, and always demanded the best, thanks. When there is no one else around, family will always be there. Shaeron Bennett, Shamecia Bennett, Shanavin Bennett, Caleb Bennett, Kennedy Bennett, Casey Swain, Keisha White, Courtney White, Donna Fulcher, Ebony Fulcher, Whitney Fulcher, Wesley Spruill, Tevin Spruill, Don "Fudge" Wilson, and my bigger twin brother Darren Butts!





To Ms. Deborah Bennett "Sis. Debbie," Thank you so much for your love. If it wasn't for you, I don't know how I would have made it. Looking back over our life, I now see all the hardships, the let-downs, and everything that was put in our way to be a stumbling stone, but we pulled through.
Hey Ma we made it!

Katrina Jane Bauer

Robbie,
Namaste. You are my fair-haired boy. I am blessed to call you my son. You are loving, kind, intelligent and courageous. It is a joy watching you grow into the man your father knew you would be. Continue to be yourself.
Love, Cherie (Momma Koon)

Robbie,
Your determination and always dedicated enthusiasm, your intelligence, and wit mixed with that gorgeous smile of yours is contagious. You, baby, are truly charismatic and if you live through all of those crashes, your future possibilities are limitless. I'm so proud of you. Congrats on your graduation! I Love You.

We're so proud of all your achievements. Continue to keep up the good work, and always try to do your best and you will succeed. Remember if you put God 1st, you can't go wrong. Life is like a box of chocolates! We're proud to be the parents of a wonderful and handsome son. You have always tried to make us proud by giving your best shot! Thanks for not giving us headaches all the time, for being on time with your curfew, and for being trustworthy with driving. We will always love you, throughout the good times and bad times. We don't always just want to be your parents, sometimes we want to be your best friends too. Okay?

Daniel Monroe & Mary Grady
Every long lost dream,
led me to where you are.
Others who broke my heart,
they were like northern stars;
Pointing me on my way,
into your loving arms.
This much I know is true...
That God blessed the broken road,
that led me straight to you.
Mary,
Life has just begun for you, and so far you are headed in the right direction. Always stay strong and through everything know that God is on your side. Strive to be the best in whatever you do.
Love, Daniel
Daniel,
I am so proud of you! You are intelligent and courageous, and the Air Force should be honored to call you one of their own. Babe, you are my strength, my inspiration, and my everything. God knew exactly what he was doing when he brought you into my life. Thank you!
Love, Mary

Tsunamis

It only took a moment for massive walls of water – tsunamis – to leave at least 210,000 dead and cause massive destruction in several Asian countries on Dec. 26. The tsunamis were caused by a 9.0 earthquake centered in the Indian Ocean off Sumatra. It was the most powerful earthquake in 40 years. The international community reacted quickly with aid amid fears about disease from the bodies and lack of clean water.

A few stories of miracles came from the wreckage, such as a woman found alive floating in the Indian Ocean on a palm tree five days after the tsunamis. But tens of thousands were missing and may never be found. Many were tourists from around the world, including the United States, who had been enjoying the warm climate for the holidays.

The internet became a focal point for people looking for loved ones in the region, as blog sites to news sources such as CNN enabled people to post information about missing friends and family.

The U.S. pledged $350 million in aid to the region, and President George W. Bush asked his two immediate predecessors in the White House, Bill Clinton and George H.W. Bush, to head an appeal for private donations.

The Shiites won a plurality in the election for National Assembly seats. The National Assembly will elect the president.

Four in one year

Florida took the brunt of four major hurricanes in August and September. Charley came inland from the Gulf of Mexico and hit the peninsula; Frances and Jeanne from the eastern Florida coast; and Ivan made landfall on Alabama near the Florida border. As the storms moved inland, heavy rains, thunderstorms and tornadoes caused flooding and damage to everything from buildings to beaches from Texas to Pennsylvania. The U.S. death toll from the four storms was more than 120 people.

The hurricanes that struck the U.S. first wreaked havoc across the Caribbean. In Haiti, Tropical Storm Jeanne left more than 1,500 people dead and more than 1,250 missing. In the city of Gonaives, food and drinkable water was unavailable, homes, buildings and roads were destroyed, and relief agencies had difficulty reaching the needy.

A Boston party

Chances are, Boston sports fans might never again enjoy a year quite like this one.

For starters, decades of Boston Red Sox frustration was wiped away in one amazing October. Trailing three games to none in the American League playoffs against the New York Yankees, Boston won four in a row and became the first team in baseball history to rally from such a deficit. The Red Sox rolled on to the World Series and swept the NL champion St. Louis Cardinals in four games. It was Boston's first World Series title since 1918, and it vanquished the dreaded Curse of the Bambino, which haunted the team since its infamous decision to sell slugger Babe Ruth to the Yankees in 1920.

The celebration continued into football season, where the New England Patriots were once again crowned NFL champions. The Patriots won their third world title in four years, defeating the Philadelphia Eagles in Super Bowl XXXIX, 24-21. In doing so, New England staked its claim to being the NFL's latest "dynasty," and sparked debate as to how they stand among the greatest teams of all time.

Several players were suspended, and criminal indictments were filed against both players and fans.
